Stephen J Safranek v Thomas Stephen Monaghan

Docket No. 289237

LC No. 07-001134-CZ

Richard A. Bandstra
Presiding Judge

Joel P. Hoekstra

Michael R. Smolenski
Judges

The motion for immediate consideration is GRANTED.

The Court orders that the motion for reconsideration is DENIED.

The Court further orders that the motion to strike is GRANTED only to the extent that ¶ 19 of the motion for reconsideration is STRICKEN from the motion for reconsideration for the reason that the paragraph quotes material SUPPRESSED by this prior Court's order. None of the orders of this Court issued in this matter preclude the trial court from finding that any of the information stricken or placed under seal by this Court is no longer entitled to a designation of "confidential" or is subject to, or not subject to, protection by a recognized privilege. The parties are directed to secure such rulings from the trial court in a manner consistent with the provisions of the stipulated protective order before presenting further filings on discovery matters.

Smolenski, J. not participating, having resigned from the Court of Appeals effective January 1, 2009.
