The Court orders that the motion to seal the briefs and exhibits of the parties in these consolidated appeals is GRANTED. The Court finds good cause to seal the briefs and exhibits consistent with the circuit court's September 27, 2006 protective order, based on the fact that those documents may contain confidential, sensitive, or proprietary information. The Court also determines there are no less restrictive means to adequately and effectively protect the interest asserted. MCR 7.211(C)(9)(e); MCR 8.119(F)(1).

The parties are directed to submit their appellate briefs and exhibits under seal. The Clerk is directed to seal the appellants' brief and exhibits filed on March 22, 2010, in docket no. 294633. The Clerk is further directed to maintain the briefs and exhibits in sealed form outside of the Court's public file.
